

The Arc of Rowan Summer Day Program

The Program: June 26th - August 3th 2017

The Arc of Rowan Summer Day Program provides a secure, positive environment that meets the physical, social, emotional and educational needs of children ages 5 - 21 years of age with developmental disabilities. It also provides support for families by offering a quality program.

The Arc of Rowan Summer Day Program is a six-week program that operates Monday through Thursday, 8:00 a.m. to 3:30 p.m. The program offers training in self help skills, academics, personal and social skills, sensory development, communication skills and gross/fine motor skills. Daily activities include a variety of educational and social experiences for children according to their needs established in their IEP or IFSP. These activities include indoor and outdoor activities and weekly field trips planned as part of the curriculum.

Staff

The Summer Day Program has a dedicated, caring staff that has experience serving children with developmental disabilities. Many are teachers in the Rowan/Salisbury School System and Rowan County Headstart. As teachers in the school system some of our staff also have the opportunity to work with the students during the school year in the classroom. The Summer Day Program is an annual event for many staff and students and they often develop positive and long lasting relationships.

A minimum of two staff members provide care and maintain constant supervision of the students in each classroom. We adhere to a staff/child ratio of 1:5. Staff members are trained in Basic First Aid, CPR and seizure management.

Licensing:

The Arc of Rowan Summer Day Program is licensed and approved according to standards established by the North Carolina Child Day Care Licensing Division and the Division of Mental Health/Intellectual & Developmental Disabilities/Substance Abuse Services. The program is reviewed and evaluated annually.

Application Procedure and Eligibility:

The program serves children ages 5 - 21 that are currently served by the public school system.

To enroll your child in the program please contact The Arc of Rowan at 704-637-1521

as soon as possible and inquire about an application.
